Volunteer Leader/ACCEF

02/05/2009

The purpose of this document is to set up a standard operation protocol (SOP) for wire transfer from ACCEF to the Sichuan Earthquake Relief Effort through the YOU2V, our volunteer partner in China. It also provides a written document for ACCEF China Education Program, ACCEF Sichuan Earthquake Relief Effort, Fund Management and Accounting Management. A duplicate form of the wire transfer, a confirmation letter and a monthly statement from UBOC are additional supporting evidences for completion of this transaction.
